# 2021 Atlantic Cod Stock Structure Workshop Timeline

# Setting the Groundwork

## Today's Goal:

Overview outcomes from the June Science and Assessment workshops, provide context on the federal management system for cod and share ideas for management tools and approaches to consider in a series of future management workshops.

## Objectives:

- Review outcomes of the science/assessment June workshops
- Provide an overview of the current cod fisheries management system
- Examine different management tools and approaches available

# Management Workshop Series
