Summer 2019 Fellowships in Marine Extension

Applications due March 22, 2019

The Brian Doyle Undergraduate Marine Extension Fellowship provides a $3,000 stipend over an 8-week summer project (approximately June 1 to August 1, 2019).

Juniors and Seniors: Work with the NH Sea Grant Extension program to help individuals and organizations make informed decisions about marine resources while gaining hands-on field experience. Apply to work on 2019 projects in areas such as:

- Green Crab Fishery Development and Monitoring
- Shellfish Practices and Public Health (Oysters)
- Marine Education and Outreach
