The project schedule is intended to present an overview of a research project's planned activities and the time frame in which those activities will be completed.

Fill it out as follows:

**INVESTIGATOR**: PI's name, last name first (e.g., Smith, John).

**PROJECT NUMBER**: Don’t fill in; N.H. Sea Grant will provide.

**PROJECT ACTIVITIES**: List the major activities that will be pursued during the project; then, using your space bar and the lower case "x" indicate in which portion of each project year those activities will take place.

**PROJECTED BUDGET**: Enter the Sea Grant portion of your annual budget.
