Coordinators Column

Let's start the new calendar year with a look ahead at some things that will happen, some things that will change, and some resolutions!

First, right out of the chute, we are hosting the Nor'easter Bowl this year on February 1st, and will need all the help we can muster. We are working with a budget that is one-third the usual amount, so it will be a stripped down effort. No matter what the budget is, we still need to get a lot of logistical things done before, and on, competition day, so please contact Dari and let her know what you would like to do. This, like Ocean Discovery Day, is an ALL HANDS ON DECK event. Thanks, as always. Click Here for the rest of the article.

Mark

Nor'easter Bowl!!

We can use help at the Nor'easter Bowl, experienced and newcomers welcome! We will prepare for the event in the days leading up to February 1st. Keep an eye on your email for Judging Team training dates. We will be needing help...
setting up the afternoon of January 31 as well. Thanks it should be a rewarding event!

January Docent Calendar

Happy New Year Docents!

Monday, January 6

Docent University

Ann Ablowich will be teaching a Knitting 101 class on February 12 from 9:00 AM to 11:00 AM at the Marine Docent Center. You will learn the basics of knitting beginning with casting on and basic knitting and purl stitches. Once you have learned these basics, you will have all the tools necessary to begin your own project. Participants will need to supply their own needles and inexpensive yarn for practicing, I would recommend size #7 or #8 needles and worsted weight yarn.

The class is limited in size so call or email Dari to reserve your spot in this class. Marine Docent Center: 603-862-6701
