Coordinators Column

Mark's Top 10 Reasons Why You May Not Currently Be an Active Docent! (With counter reasons why you should be!)

Reason #10 - "I just can't get around easily anymore."
Counter: As the song says, "that's what friends are for." Give your Docent buddies a call and ask for a ride, or give us a call and we'll figure something out. Be a carpooling trendsetter!

Reason #9 - "I'm just not confident enough to lead a SeaTrek."
Counter: Who said you had to lead anything? Safety in numbers! Help with schlepping, and listen to a program, or two, or three. Pretty soon you'll be running the program and wondering what all the fuss was about.

Reason #8 - "I don't like kids."
Counter: We also do adult programs. If you don't like adults, I can't help you.

Reason #7 - "There's too much schlepping of heavy stuff."

Family Boat Building

Applications for family boat building are available on our new website www.seagrant.unh.edu/family-boat-building

Applications are due by April 15th! Help us spread the word about this great program. Six families can participate!
